ZADIG IS OPTIMISTIC OF DISTRICT'S FUTURE

Herman Zadte, plunser broker the San Francisco mining exclusing accompanied by N. J. Girder of the same city, left this morning for the cone; after having spent three day here and at Goldfield looking over various mines in which he is inter ested. Mr Zulig is highly optimis tic concerning the future of Tono pah and says that a mineral revivain the ascendency for southern Nevada that cannot be stopped. He predicts that a number of the Di vides will shortly be giving good ac counts of themselves, while he is pleased to note the great activity that now is manifesting itself in

several of the outlying districts This canning season the dollar to getting a heap more mileage out of I the task was difficult, he re-

the sugar barrel.
